Transkrip Empat Lagu Pop

Taylor Swift Bad Blood/Taylor Swift

'Cause, baby, now we got bad blood

You know what used to be mad love

So take a look what you've done

'Cause, baby, now we got bad blood

Now we got problems

And I don't think we can solve them

You made a really deep cut

And, baby, now we got bad blood

Did you have to do this?, I was thinking that you could be trusted

Did you have to ruin?, what was shining now it's all rusted

Did you have to hit me?, where I'm weak, baby, I couldn't breathe

And rub it in so deep, salt in the wound like you're laughing right at me

Oh, it's so sad to, think about the good times, you and I

Did you think we'd be fine?, still got scars on my back from your knife

So don't think it's in the past, these kinda wounds they last and they last

Did you think it all through? all these things will catch up to you

And time can heal but this won't, so if you're coming my way just don't

Oh, it's so sad to, think about the good times, you and I

Band-aids don't fix bullet holes

You say sorry just for show

You live like that that you live with ghosts

Band-aids don't fix bullet holes

You say sorry just for show

If you live like that you live with ghosts

If you love like that blood runs cold

Katy Perry Swish Swish/Katy Perry

A tiger

Don't lose no sleep

Don't need opinions

From a selfish or a sheep

Don't you come for me

No not today

You're calculated

I got your number

'Cause you're a joker

And I'm a courtside killer queen

And you will kiss the ring

You best believe

So keep calm honey I'ma stick around

For more than a minute get used to it

Funny my name keeps comin' outcho mouth

'Cause I stay winning

Lay 'em up like

Swish swish bish

Another one in the basket

Can't touch this

Another one in the casket

Your game is tired

You should retire

You're 'bout cute as

An old coupon expired

And karma's not a liar

She keeps receipts

So keep calm honey I'ma stick around

For more than a minute get used to it

Funny my name keeps comin' outcho mouth

'Cause I stay winning

Lay 'em up like

Nicki Minaj?

Pink Ferragamo sliders on deck

Silly rap beefs just get me more checks

My life is a movie I'm never off set

Me and my amigos

No not offset

Swish swish aww I got them upset

But my shooters'll make 'em dance like dubstep

Swish swish aww my haters is obsessed

'Cause I make M's they get much less

Don't be tryna double back I already despise you

All that fake love you showin' couldn't even disguise you

Ran

When

Nicki gettin' tan

Mirror mirror who's the fairest bitch in all the land?

Damn man this bitch is a Stan

Muah muah the generous queen will kiss a fan

Ass goodbye I'ma be riding by

I'ma tell my biggz yeah that's tha guy

A star's a star da ha da ha

They never thought the swish god would take it this far

Get my pimp cup this is pimp shit baby

I only f**k with Queens so I'm makin' hits with Katy

Kanye West Famous/Kanye West

Man I can understand how it might be

Kinda hard to love a beautiful girl like me

I don't blame you much for wanting to be free

I just wanted you to know

Swizz told me let the beat rock

For all my Southside niggas who know me best

I feel like me and Taylor might still have sex

Why? I made that bitch famous (damn)

I made that bitch famous

For all the girls that got dick from Kanye West

If you see 'em in the streets give 'em Kanye's bests

Why? They mad they ain't famous (damn)

They mad they're still nameless (good damn)

Her man in the store tryna try his best

Woke up and felt the vibe, whoo!

No matter how hard they try, whoo!

We never gonna die

I just wanted you to know

Bam bam, bam bam

Bam bam dilla, bam bam

How you feeling right now, let me see you ladies in the air

Bam bam bam bam

Let me see your middle finger in the air

Bam bam bam bam

Let me see you act up in this mother f*cker

Bam bam dilla, bam bam

How you feelin', how you feelin, how you feelin' in this mother f*cker (god
damn)

Taylor Swift Look What You Made Me Do/Taylor Swift

I don't like your little games

Don't like your tilted stage

The role you made me play

Of the fool, no, I don't like you

I don't like your perfect crime

How you laugh when you lie

You said the gun was mine

Isn't cool, no, I don't like you (oh!)

But I got smarter, I got harder in the nick of time

Honey, I rose up from the dead, I do it all the time

I've got a list of names and yours is in red, underlined

I check it once, then I check it twice, oh!

Ooh, look what you made me do

I don't like your kingdom keys

They once belonged to me

You ask me for a place to sleep

Locked me out and threw a feast (what?)

The world moves on, another day, another drama, drama

But not for me, not for me, all I think about is karma

And then the world moves on, but one thing's for sure

Maybe I got mine, but you'll all get yours

I don't trust nobody and nobody trusts me

I'll be the actress starring in your bad dreams

"I'm sorry, the old Taylor can't come to the phone right now."

"Why?"

"Oh, 'cause she's dead!" (ohh!)
