## ABSTRACT

This research is motivated by the results of observations made by the author that the Supervision of Village Head Performance by the Village Consultative Board in Sukarahayu Village has carried out its main functions properly. Therefore, the author is interested in conducting further research with the title of thesis "Supervision of Village Head Performance by the Village Consultative Board in Sukarahayu Village, Tambelang District, Bekasi Regency"

The purpose of this study is to find out how the Village Consultative Body Supervision in Supervising the Performance of Village Heads in Sukarahayu Village, Tambelang District, to find out the factors that become obstacles in Supervising the Performance of Village Heads in Sukarahayu Village and to find out what efforts are made to overcome obstacles in supervising the performance of village heads in Sukarahayu Village, Tambelang District, Bekasi Regency.

In supervising the performance of the village head in Sukarahayu Village, Tambelang District, Bekasi Regency, Handyaningrat theory (2001) is used which suggests several indicators of monitoring the performance of the village head including the following: (1) Supervision is linked to a person's plan. (2) Supervision must be linked to individuals, (3) Supervision must show irregularities, (4) Supervision must be objective, (5) Supervision must bring corrective actions.

This study used Descriptive Analysis research method, with observation and interview data collection techniques. The informants are the Village Apparatus, Head of RT 12 and Head of Hamlet I in Sukarahayu Village, Tambelang District, Bekasi Regency. The results showed that the Supervision of Village Head Performance by the Village Consultative Body in Sukarahayu Village, Tambelang District, Bekasi Regency has been running well. Although in general it is good, there are few obstacles it faces, namely monitoring and communication that is still lacking. The efforts made by the Village Consultative Body are by further improving when monitoring and communicating better with the Village Government Apparatus in Sukarahayu Village, Tambelang District, Bekasi Regency.
